Jordan Worth Arriaga joined Worth & Associates as Vice President of Finance in December 2007 and now serves as the President of Operations and Property Management. With a strong background in commercial real estate investment banking, she is responsible for originating commercial mortgage loans, construction loans and land loans for Worth & Associates and its affiliates in excess of \$500 million. Before joining Worth & Associates, Jordan was a Vice President at CB Richard Ellis in the Debt/Equity Finance Division in Houston for 2 years.

Prior to CB Richard Ellis, she spent 8 years at NorthMarq Capital in their Houston office. Jordan received a Bachelor of Journalism in Public Relations from the University of Texas at Austin. She is actively involved in various San Antonio Community and professional organizations such as YPO. Jordan is also the recipient of the SABJ Women's Leadership Award for 2019. Jordan enjoys entertaining, traveling and spending time with her husband and three sons.
